WORLD PRICELIST SEASON 2026

*Prices in United States Dollar * (Excludes Freight)

KNIGHT TENDER Description

All Tenders are constructed using Carbon Fibre, with an Epoxy Resin Infused PVC foam core sandwich structure. The Interior and Exterior are painted using polyurethane paint, and EVA Non-slip is applied to the floor pan and decks.

A 1.2mm Aluminium skid plate is bonded onto the flat bottom hull.

Includes: Folding Cleats (4), U-Bolt on bow, 2 x U Bolts on transom, Folding lift points (4), Rub-strake, Bilge pump, Storage bags (2), Emergency Oars, 2 x Bungs in transom.
